Dear Ms. Linner:

We are requesting your office's participation at a meeting to be held at the Mercur Mine Tuesday, September 13, 1983 at 9:30 a.m. The purpose of the meeting is to discuss implementation of the Mercur Wildlife Impact Mitigation Plan which you previously reviewed.

The key points of the final plan will be discussed followed by field trips to various parts of the property. We hope to obtain your specific recommendations on field programs and installations which we can then initiate or construct over the next 12 months.

We hope to have attendees from the following agencies:

U.S. Fish and Wildlife Service

Utah Division of Wildlife Resources

Utah Division of Oil, Gas & Mining

Your comments on the Draft Wildlife Impact Mitigation Plan have been most helpful and your continued support will be appreciated.

Sincerely,

BRIAN W. BUCK
Environmental Coordinator
